

Volunteer Opportunity

Financial Counselor

Description

- Work with our homeless clients to build a personalized budget that helps them see where they are spending their money and how much they can afford for rent, utilities, and savings.

Required Skills

- Basic Excel spreadsheet experience.
- Basic understanding of finance, expenses and income.
- An interest in mentoring people financially who are experiencing a difficult time in their life.
- If you have any tax preparation experience, that is a plus, but definitely not required. Dave Ramsey or Crown Financial Ministries training is great too.
- We can give you some pointers and training. But the main thing is a heart to listen to people, give them hope, and give them a better grasp of their financial situation.

Time Commitment

- As little as 1 hour and 1 client per week, at your own pace and hours.
- We can increase your workload as you become more comfortable with the process and depending on the volume of incoming clients.

Where

- On the phone and via email in the comfort of your own home.
- You do not meet with the clients in person.

Contact

- Email info@otshb.com or call 657-215-0853 if you are interested or want more information.
