Do You Need Help?  
Do You Know Someone who needs Help?

If you know someone who is homeless, have them call

United Way Helpline  
2-1-1 (717-291-5462)

This helpline will get them in touch with social service agencies. Off The Streets gets referrals from these agencies.

Thank You!

We would like to thank a few of our donors who helped get this project off the ground. Thanks to Landis Wash & Lube, The Knights of Columbus, The 7th Ward Club, SJN Social Outreach and many individuals.

In less than 6 months, we have already helped over 50 people into apartments of their own.

“Hungry not only for bread – but hungry for love. Naked not only for clothing – but naked for human dignity and respect. Homeless not only for want of a room of bricks – but homeless because of rejection.”

~ Mother Teresa

**Our Mission**

*Off The Streets* ministry provides assistance for people experiencing homelessness to transition to a home of their own.

**About Us**

*Off the Streets* has no paid staff, no office, and minimal overhead. We do not rely on national, state, or local government money. Instead, we are financed 100% through donations by people who want to make a tangible difference in relieving the suffering of people experiencing homelessness in the Lancaster area. *Off the Streets* is a 501(c)(3) recognized charitable organization. All donations are tax deductible.

---

**What We Do**

*Off The Streets* works with social service agencies in Lancaster County to identify individuals and families that have the financial means to pay for a monthly rent but may need assistance with up-front money for a security deposit. *Off The Streets* provides the security deposit directly to the landlord, which is often the only thing preventing someone from being housed. Since many people experiencing homelessness have lost most, if not all, their material goods, *Off The Streets* helps to provide the basics, in the form of beds, dresser, chairs, table, bedding, household and personal care items to help settle them into their new home. Generally, these items are all donated.

**How Can I Help?**

Do you look at the growing reality of homelessness in our area and question what one person, or one family, can really do to make a difference? *Off the Streets* is one way of combating homelessness that does makes a real difference for people in our local community. Please pray for those who are homeless and give as you are able.

---

*Thank you so much for blessing me and my family. It’s been three years since we’ve been praying and hoping for an apartment. I pray that God will bless you back abundantly because you don’t know how much this means to us.*

**Give your change to make a change:**

- It takes about $500 to transition a family off the streets and into their new home.
- Each donation to our loose change bottle (at SJN) helps us to build the funds needed.
- If each person in our parish were to contribute just $1 a week, we would be able to help move 100 families out of homelessness within one year.
